

Bus Bench Design Specification

Panel Size

This is the size of the actual panel. The background color should bleed to the edge of this panel size.

Viewing Size

This is the size where live copy can be seen. Any text or image between the Viewing Size and the Panel Size will not be seen.

Digital File Guidelines

- File must be built at a minimum of 300 dpi.
1/4" scale = 6"h x 21"w, live area 5.312"h x 20.125"w
- **When building your file, keep in mind the viewing size is not centered, it's equal on left, bottom, and right sides.**
- File needs to be in CMYK color mode.
- Provide finished artwork as a high resolution PDF file.
